

## World Energy Council

CONSEIL MONDIAL DE L'ENERGIE

Pasaulio energetikos tarybos  
Lietuvos komitetas

### Lithuanian Member Committee of the World Energy Council

#### INTERNATIONAL CONFERENCE IN LITHUANIA

#### “CHALLENGE TO LITHUANIAN ENERGY: LOSE THE CHANCE OR USE THE EU EXPERIENCE”

30 September 2009 (Wednesday)  
Reval Hotel Lietuva (Konstitucijos av. 20, Vilnius, Lithuania)

Organized by:

The Lithuanian Member Committee of the World Energy Council, incorporating the key Lithuanian energy sectors (electricity, nuclear, heat, oil, gas, renewable energy and other energy associations, businesses, the energy profile of science and engineering consulting organizations and other entities).

Info supporters:

## CONFERENCE PROGRAM

8.00-9.00 Registration of participants

9.00-9.20 Opening of the Conference. Welcome address.

*Mr. Česlovas Vytautas Stankevičius, Deputy Speaker of the Parliament of the Lithuanian Republic*

*Mr. Vilius Navickas, Mayor of Vilnius City*

Presentations

9.20-9.40 *Mr. Arvydas Sekmokas, Minister of the Ministry of Energy the Republic of Lithuania*

9.40-10.00 EU energy policies and national objectives

*Prof. Samuele Furfari, Coordination of energy, European Commission, Directorate-General for Energy and Transport, Brussels.*

Part I. The use of renewable energy resources for heat production

10.00-10.15 District heating with renewable and municipal waste in Europe

*Mr. Lauersen Birger, Vicepresident of The International Association for District Heating, District Cooling and Combined Heat & Power “EUROHEAT AND POWER”, Brussels.*

10.15-10.30 The Renewable Energy Directive: Biomass for district and individual heating.

*Mr. Heinz Kopetz, President of the European Biomass Association AEBIOM, Brussels.*

10.30-11.00 Coffee break

- 11.00-11.15**    **The currently prepared Law on Renewable Energy Resources – Lithuanian energy independence guarantee.**  
*Mr. Jonas Simenas, Chairman of Committee on Environment protection, Parliament of the Lithuanian Republic*
- 11.15-11.30**    **Expected implementation of projects of energy production from renewable energy sources (RES) and municipal waste in Lithuania.**  
*Mr. Andrius Janukonis, Chairman of the board of Lithuanian District Heating Association, Lithuania.*
- 11.30-11.45**    **Experience of Sweden with the use of non-fossil resources for heat and power generation.**  
*Mr. Erik Larsson, Manager Energy Policy, Swedish District Heating Association, Sweden.*
- 11.45-12.00**    **Modernization and fuel conversion of district heating and combined heat and power systems in Germany.**  
*Mr. Werner R. Lutsch, Managing director of the German Heat and Power Association – AGFW e.V., Germany.*
- 12.00-13.00**    **Round table discussion: Chaired – Mr. Eduardas Eigirdas (the journalist of magazine “Valstybe”, Lithuania) and other participants:**
- **Prof. Samuele Furfari** (EK Directorate-General for Energy and Transport, Brussels)
  - **Mr. Valdas Lukosevicius** (The President of Lithuanian energy consultants association, Lithuania);
  - **Mr. Denis Givois** (The President of European Federation of Intelligent Energy Efficiency Services, Brussels);
  - Austrian Energy Agency.
- 13.00-14.30**    **Lunch break**

## **Part II. Electricity production and supply challenges in Lithuania**

- 14.30-14.50**    **Danish experience of electricity production from renewable sources.**  
*Y. E. Mr. Laurids Mikaelson, Ambassador of Denmark to Lithuania.*
- 14.50-15.10**    **The electricity supply and electricity market after the closure of the Ignalina nuclear power plant.**  
*Mr. Edvardas Važgela, “Lietuvos energija” AB, Director of the electricity market management department, Lithuania*
- 15.10-15.30**    **International Lithuanian power system projects.**  
*Mr. Aloyzas Koryzna, “Lietuvos energija” AB, General director – Chairman of the board, Lithuania*
- 15.30-15.50**    **Integration and development of renewable energy sources in the Lithuanian energy system.**  
*Mr. Vladas Paskevicius, president of the Lithuanian Electricity Association, member of the EURELECTRIC board of directors, Lithuania.*
- 15.50-16.05**    **Prospects of the Smart grids.**  
*Mr. Valdas Bancevičius, “Lietuvos energija” AB, Member of the board, Lithuania.*
- 16.05-16.25**    **The Nuclear Energy Development Trends.**  
*Mr. Jan Kocourek, Head of International Projects, AF-Colenco Ltd., Nuclear Technology Department, Switzerland.*
- 16.25-17.05**    **Round-table discussion of the Lithuanian energy sector challenges.**  
*Chaired – Mr. Eduardas Eigirdas (the journalist of magazine “Valstybe”, Lithuania) and other participants:*
- **Mr. Romas Švedas** (Viceminister of Energy, Lithuania)
  - **Mr. Virgilijus Poderys** (Chairman of the National Control Commission for Prices and Energy, Lithuania);
  - **Mr. Vladas Paškevičius** (President of the Lithuanian Electricity Association, Member of the EURELECTRIC board of directors, Lithuania);
  - **Prof.Dr.Habil. Eugenijus Ušpuras** (Director of the Lithuanian Energy Institute, Lithuania);
- 17.05-17.15**    **Final word. The adoption of the international energy conference resolution.**  
*Mr. Rymantas Juozaitis, Chairman of Lithuanian Member Committee of the World Energy Council, Lithuania.*
